STANFORD, KY., FRIDAY, AUGUST 9, 1907.

NO. 46.

PLEASANT POINT.

Rev. W. G. Tilford filled his appointment at this place Saturday and Sunday.

The South Kentucky Association will be held at Eubanks on the 13th and 14th of this month. Quite a number of Pleasant Point people contemplate going. We are glad to know that our church house will be painted in the near future.

Squire Harris is very low. Mrs. Martha Walls, who has been sick for some time, is convalescing. Miss Emma Routen has returned from Lexington. We are glad to state that she is improving and is much better than we expected to see her. John Dye and wife, of Buck Creek, visited W. D. Dye. Otis Hamilton and wife, of Harrodsburg, are visiting at Frank Whitehall's. Misses Grace and Florence Walls, of Lee county, are guests of relatives here. Charlie Alford has gone to Brodhead to work in the restaurant of David Rambo. Miss Della Hogue was the guest of Mrs. Rob Dishon Sunday. Mr. and Mrs. Mack Petrey visited Wm. Murphy and wife. Lynza Sowders spent a few days with the homefolks.

Mrs. Allie Bastin, wife of James Bastin, died at the home of her father Sunday morning. She had been ill for a long time of a complication of troubles and her sufferings had been great. Death must have been a welcome to her. She was about 35 years old and is survived by her husband and three small children. Deceased was a daughter of Mr. and Mrs. G. W. Cummins, of this place, and was loved by all who knew her. She leaves three sisters, Mesdames Mary Leach, of Lexington, Mattie Ruby, of Pittsburg, and Lillie Graybeal, of this place, and four brothers, Asher, Will, John and Sam Cummins, all of whom were present at the funeral except Will, who resides in Texas. For a long time Mrs. Bastin had been a member of the Christian church and she frequently expressed herself as being ready and willing to meet her Maker.

Always The Typo.

Among Clyde Fitch's amusing collection of scrap-books there is one devoted to typographical errors. The noted playwright showed this volume to a reporter recently, and the young man copied some extracts from it.

One item concerned a dance. The word bonnier was misprinted, with this deplorable result:

"There were no bonnier ladies present than the Mayor's own daughters, and this fact was further emphasized by the perfect fit of the shepherdess costumes they wore."

A country paper, after telling how a cow got in front of a train, said: "As the safest course under the circumstances, the engineer put on full steam, dashed into the cow, and literally cut it into two calves."

A New York society editor, misprinting the word chill, published this statement:

"Mrs. Astor was unavoidably absent from the reception, being kept at home by a bad child."

A political editorial, which should have said, "The masses believed him," said instead:

"Them asses believed him."

Supporting a candidate for the mayoralty, a country editor wrote:

"Mr. Smith is also renowned for his great veracity and enormous capacity for work, and you will always find him even under adverse circumstances, full of good spirits."

This paragraph appeared in next day's paper:

"Mr. Smith is also renowned for his great voracity and enormous capacity for pork, and you will always find him, even under adverse circumstances, full of good spirit."

HAD AN AWFUL TIME.

But Chamberlain's Colic, Cholera and Diarrhoea Remedy Cured Him.

It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time and had it not been for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy.—Sam H. Gwin, Concord, Ga. For sale by all druggists.

Mary Ann—Now, look here, John Henry! If you keep on staying out so late, you'll kill yourself.

John Henry—Then I should still be your late husband, me dears.

The Pennsylvania Express was wrecked by a "sideswipe," near Kelley Station, Pa., and six persons were killed.

Bobbitt on the Circus, Etc.

CRAB ORCHARD, Aug. 5.—I desire to say a few words in commendation of Haag's Show, the finest and loudest praised show that has been at Crab Orchard in five decades. They have more to show, and showed more than any show that ever showed here. Dr. Phillips says he has seen many a show, even John Robinson's great show but nothing ever beat this show. And what a crowd! What good order! What satisfaction! Oh, it was grand! Nine hundred people under one canvas. When they asked the mayor, Col. J. W. Guest, what was charged for the license, the mayor replied: "Ten dollars." "Why Lancaster only charged \$5," said the manager. "Well, there is that much difference between the two towns," replied the mayor, and after the show was over the circus manager looked up Col. Guest and said: "You are right. We made 12 times as much money here as at Lancaster."

This show has done much good. The people have gone to work in earnest to get ready for the show when it comes back next July, which it promised to do on invitation of many of the people here. What nice Southern gentlemen, Maj. E. A. Holmes, of the Confederate army, and at Shiloh; and what a ring master; and what a manager! Mr. McLaughlin, of Rockford, Ill., asked me to name him personally as having sole charge of the tents that cover one of the grandest shows in all Christendom. A dark-eyed, lovely lady from Memphis, also gave me her name and address but I have misplaced it. I am to send her a copy of the INTERIOR JOURNAL. Perhaps I shall find the address against then. I remember when this show was at Stanford the I. J. spoke of what a set of gentlemen they were and what a good show.

Well, I want to welcome Clarence Coleman back to the dear old INTERIOR JOURNAL. Clarence, I have read of you at or rather from Port Said when you were going around the world.

Well, the daughter, the beautiful, charming daughter of Mr. A. M. Hiatt, who has not been at Crab Orchard for 17 years, is coming to see her venerable father. I refer to Mrs. Susie Hiatt Kinnaid, and as she once said to me in a letter, I must leap upon the "epistolary tapestry" to go and meet her at the depot. I must, however, say two or three words about Miss Flonnie C. Hammond. I have never read after a more agreeable writer. She is evidently a lover of the romantic and poetical.

Remedy for Diarrhoea. Never Known to Fail.

"I want to say a few words for Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used this preparation in my family for the past five years and have recommended it to a number of people in York county and have never known it to fail to effect a cure in any instance. I feel that I can not say too much for the best remedy of the kind in the world."—S. Jemison, Spring Grove, York County, Pa. This remedy is for sale by all druggists.

LINCOLN will soon join the list of "dry" counties, the license of the Blue Wing Saloon at Rowland—the only bar room in this county—expiring Sunday week, Aug. 18. After that date Lexington will be the nearest point where red liquor is legally sold. The distillery license of W. H. Traylor expires Monday after which five gallons is the smallest quantity he can sell. So it will be seen that this is soon to be a dry section and as the people have said they want it dry and the courts have upheld them in their work and wishes, it should be the duty of every good citizen to do his part in preventing traffic in the whisky business. A properly managed law and order league, with the support of the county officers and public opinion, can prevent "blind tigers" and "bootleggers" from flourishing if work will begin at once but delay is dangerous in such cases and the longer such things run the harder they will be to stamp out. Now is the accepted time; now is the day of grace for the law and order league. Let it get to work and do so at once.

JUDGE M. C. SAUFLEY, of this place, received a communication from Gov. Beckham asking him to act as special judge in the case of the Commonwealth against Caleb Powers, but the judge declined the appointment, we are sorry to say. Powers says he wants a fair trial and this paper wants him to have it and it knows that he would have been given such if Judge Saufley had consented to sit in the case. Though a democrat, and we might say a partisan, Judge Saufley does not let politics play a part in his court and if Powers and his attorneys knew him as do his friends in this section he would be their choice to try the celebrated case.

CAPT. W. J. STONE, of Kuttawa, a former Congressman from the First district and once a candidate for the democratic nomination for governor, will be an independent candidate for the State Senate in the Third district, composed of Lyon, Trigg, Livingston and Calloway counties, in opposition to Senator Conn Linn, the democratic nominee. We are sorry to see Capt. Stone take such a step. A democrat for many years, a gallant soldier in the Confederate army and a fine old gentleman, he should make his last days his best, instead of his worst, as he seems determined to do.

POLITICAL.

Wm. H. Upchurch has been appointed postmaster at Oz, Wayne county.

W. W. Hopkins was nominated by the democrats of Floyd county for the Legislature.

The Alabama House killed the bill providing for changing the sessions of the Legislature from every four years to every two.

J. H. Jackson was nominated for Representative of Owen county by 19 votes over his opponent in the democratic primary.

The two houses of the Alabama Legislature, voting in separate session, elected Joseph F. Johnston for both the long and the short senatorial terms.

Sam Fessenden, for more than 30 years a controlling factor in Connecticut Republican politics, has announced his retirement from active political life.

The resignation of David Hutcheson, superintendent of the reading room at the Library of Congress, Washington, is announced. He had been an employee of the library for 33 years.

A large crowd of Georgia Prohibitionists watched Gov. Hoke Smith attach his official signature to the Prohibition Bill and the act has become a law, effective January 1, 1908.

The official count between Williams and Vardaman for U. S. Senator was to have been made at Jackson, Miss., yesterday. Williams looks to be a winner.

M. C. Miller, aged 70, county clerk of Rockcastle, died at his home at Mt. Vernon. He was a veteran of the Civil War and had held the position of county clerk for the past 20 years.

Plans for the Democratic campaign in Kentucky this fall will be discussed at a meeting of the committee and the Democratic candidates to be held in Frankfort. The opening probably will be the week of August 26 or September 2, but the location of the first rally has not been selected. W. J. Bryan may come to Kentucky and make three speeches.

"The entire South will be for Louisville as the place to hold the next Democratic National Convention," said Hon. Thomas B. Love, Speaker of the House of Representatives of Texas, at The Seelbach. "I am sure that Louisville is well able to entertain the convention and the thousands of visitors that will be attracted. The South is entitled to one convention and Louisville, which is one of the prettiest places I have ever visited, is the proper place in which to hold it."—Louisville Times.

Willis went to Science Hill to attend district conference. Rev. W. G. Gilford went to Pleasant Point Saturday to fill his regular appointment. Mrs. Rosa B. Lucas, the only typhoid fever patient in this vicinity, is thought to be improving. O. R. Jones and wife, of Trenton, Mo., who have been guests of friends and relatives here for several weeks, will leave in a few days.

How to Cure Your Piles

If sufferers from piles and rectal diseases would first try a reliable laxative like Dr. Caldwell's Syrup Pepsin instead of using external salves and suppositories, or having an operation performed, they would save themselves a world of trouble, expense and pain. The reason is that in nine cases out of ten piles are the result of habitual constipation, and when once the constipation is thoroughly cured the piles disappear.

Piles are to constipation what pimples are to bad blood, simply an outward symptom. And just as face lotions aren't half as good for pimples as a good blood medicine, so salves and suppositories aren't half as good for piles as a reliable laxative like Dr. Caldwell's Syrup Pepsin.

A 50 cent or \$1 bottle will prove these claims, and every druggist is authorized to guarantee results. Hundreds of people have written us that Dr. Caldwell's Syrup Pepsin is the best pile cure they know of, and it is surely worth a trial from you. Not only will it cure the piles but it will permanently correct bowel trouble so that you will have regular movements. It will tone the stomach and make digestion easy for you.

Dr. Caldwell's Syrup Pepsin is the best remedy for constipation, dyspepsia, biliousness, flatulency, and all resultant troubles, such as piles, arising from disordered stomach, liver or bowels. Its gentle action and pleasant taste make it especially suited to children and all who are too weak to stand purgative waters, salts and griping powders and tablets. A physic is not what pile sufferers need, but steady, easy bowel movements, and these can be obtained by the use of this wonderful remedy. It brings about a permanent home cure at a minimum of expense.

FREE TEST Those wishing to try Dr. Caldwell's Syrup Pepsin before buying can have a free sample bottle sent to their home by addressing the company. This offer is to prove that the remedy will do as we claim, and is only open to those who have never taken it. Send for it if you have any symptoms of stomach, liver or bowel disease. Gentlest yet most effective laxative for children, women and old folk. A guaranteed, permanent home cure. THE PUBLIC VERDICT: "No Laxative So Good and Sure as DR. CALDWELL'S SYRUP PEPSIN." This product bears purity guarantee No. 17, Washington, D. C. **PEPSIN SYRUP CO.** 119 Caldwell Bldg., Monticello, Ill.

At last when all hope seemed to be gone we began using Chamberlain's Colic Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today he is as healthy a child as parents could wish for."—Mrs. B. J. Johnston, Linton, Miss. For sale by all druggists.

Marshal Lair, of Hustonsville, brought his blood hounds to Danville yesterday to trace the thieves who entered Mr. J. G. Cecil's residence on the Harrodsburg pike Monday night. The hounds struck the Cincinnati Southern this side of Faulconer, come down the road to Danville and went out the Lebanon pike, thence the Alum Springs pike to a point just this side of Parksville where the trail was lost. The officers have a pretty good clew to the perpetrators and arrests are likely to follow.—Advocate.

The belief that editors know everything is widespread, but one small boy has discovered the limitations of the editorial mind. Here is the anecdote as we got it from a contemporary:

"Father," asked the small son of an editor, "is Jupiter inhabited?"

"I don't know, my son," was the truthful answer.

Presently he was interrupted again.

"Father, are there any sea serpents?"

"I don't know, son."

The little fellow was manifestly least down, but presently rallied, and again approached the great source of information: "Father, what does the North Pole look like?"

But, alas! again the answer: I don't know, my son."

At last, in desperation, he inquired, with emphasis: "Father, how did you get to be an editor?"—Ex.

The Limit of Life.

The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period, that determines its duration, seems to be between 50 and 60; the proper care of the body during this decade cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by Penny's Drug Store.

An organization composed of prominent business men, physicians and women of social distinction in St. Louis has inaugurated a crusade against tuberculosis by holding open-air evening meetings.
